

Fun Field
Trips!

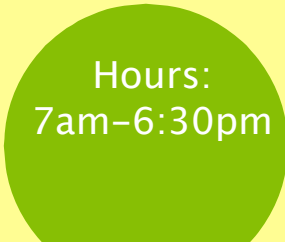

Memorable
Summer!

First Day:
June 17th

Pool twice a
week!

Hours:
7am-6:30pm

Making New
Friends!

Come and Join the Clubhouse as we “Travel around the World”

Welcome to an exciting and fun year with Heritage Clubhouse summer camp 2010. We look forward to growing, laughing, and learning with your children. Our theme this year is “Traveling around the World,” and we will explore different countries. Once each of the children has “visited” each country they will get a stamp on their Clubhouse Passport!

We will discuss different places such as France, Egypt, Australia, Hawaii, and many more. We will learn about different foods, geology of the country, people, language, culture and much more.

In addition to our theme, we will be having mini sports camps. Each week the children will learn a sport and will learn the basic skills needed to play the game. We have different fun field trips and exciting on-site demonstrations scheduled. We will be also having different people come in to make pottery, stuff your own bears, and learning how to hula hoop. The children’s favorite field trip—going to the pool twice a week!
